May Edition

Volume 2 | Issue 14

Keeping you in The Loop

The grass is getting greener, the tulips are blooming and life at Luther Village On the Park is getting busier! The Recreation team looks forward to what is in store for May with the Mother's Day Tea, a variety of entertainers including the Transylvania Hofbrau Band, the documentary film "The Woman Who Loves Giraffes" that tells the story of Luther Village resident Anne Daag, and more! Please read the calendar carefully and don't forget to review the "Weekly Activities" section on the right side of the calendar. As always, we love to hear your feedback. Please feel free to drop by the Recreation office or give us a call and let us know if you have any questions, concerns or recommendations for us, we would love to hear them! We hope that you enjoy the month!
